YOUNG EBULLIENT STUDENTS (YES) INDIA

be together **move together**

## We Believe

*“.....Verily never will God change the condition of a people until they change what is in themselves.....”*

## Origin of YES

YES is the resultant of the synergy of students trained under Centre for Guidance and Training Educational (C-GATE) a unit of CIGI. It was flagged off by Dr. K.M Abubacker the Director of CIGI, on first January 2005 at Navajyoti Renewal Centre, Calicut. YES is registered as an independent organisation under societies registration act 1860 with register number 736/2005.

## Principles of YES

- YES understands that “Today is not Yesterday”; in the changing world one has to be prepared to benefit from change.
- YES believes that “You are You”. - every one has some unique potential, and if he/she is ready to explore and strengthen their potential they can excel in life and create a band wagon effect.
- YES knows that “You can’t be alone”. When you are in a group, you have a role to play and the synergy produced will help you in achieving the goals and affirming your position in society.

## Why YES

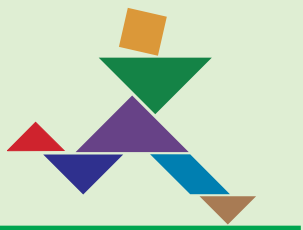

- It's a unique plethora of proactive and socially pledged students and research scholars who are self initiated and motivating others devoid of all types of sectarian thoughts.
- An all India campus network that helps the students of rural areas to have a touch with students of pioneer institutions.
- A unique system for coaching and peer mentoring which provides an opportunity to students of same interest to flock together.
- Fine tuning the budding talents from early stages towards premier institutions and research centres.
- Mentoring and scaffolding the students until they reach at their career goals.
- Equipping the students commune to face the challenges raised by the turbulent scenario of modern era.
- Taking up the mission of balanced growth of nation.
- Building a crew of social engineers of Gen next.
- Has a system for training and empowerment.
- Has a system for the publication of books and journals related with career and education.
- Has an advisory council (GURU SABHA) consisting of scholars and career experts which helps to draw career tracks to success.
- A proven track record of five years service.

## YES Vision

Hand in hand towards a world where excellence is the motto, love is the bond and personality mirrors perfection of humanity.

## YES Mission

- To change the 'me' and 'you' to 'we'.
- To create a generation with firm will.
- To take interest and evince enthusiasm to do something beyond the sphere of our routine duties.
- To be innovative to spot opportunities and excel in life.
- To develop positive attitude and passionate aspiration to succeed.
- To make optimum use of our resources and potentials.

## Projects

### Project 01-JALAKAM

#### GOAL

- ✓ To create awareness among students on changing trends in career and prepare them to be globally effective.
- ✓ To create easy access to career information at right time
- ✓ Update the openings and opportunities to the target groups
- ✓ To develop a network for mutual scaffolding and supporting for career development

#### MODUS

- ✓ Publication of newsletters.
- ✓ Publication of books.
- ✓ Publication of journals
- ✓ Mobile Alerts
- ✓ Mail Groups
- ✓ Career windows
- ✓ Career Talks

### Project 02-LEADERSHIP INDIA

- ✓ YES dreams a society where all are empowered to use their optimum potential.
- ✓ YES helps to explore and activate the inherent potential within.
- ✓ YES provides opportunity for cooperation and exchange of skills and ventures to prepare a set of citizens with the quality and caliber to lead the nation forward.

#### GOAL

- ✓ To train students from various campuses of India as leaders of future India.
- ✓ To prepare the students to face the challenges and turbulence of information explosion era.
- ✓ To create a team of value sentient student leaders respecting human dignity.
- ✓ To strive for value oriented education in campuses.
- ✓ To build a group of young leaders activated with the mission of national integration and human development.

#### MODUS

- ✓ Residential training workshops for potential leaders of YES.
- ✓ Constant training for developing leadership qualities.
- ✓ Interaction with leaders of different walks of life to share experience.

### Project 03-ENERGISER

#### GOAL

- ✓ To keep the Young Ebullient Students in the definite track and to improve their skills.
- ✓ To amplify their soft skills like public speaking, interpersonal relations, leadership qualities etc.

- ✓ To keep them updated about current issues and persuade to form their own opinions on such issues.
- ✓ To prepare them to fight against the evil practices spoiling our society and strive for the benefit of society.

#### MODUS

- ✓ Training programme.
- ✓ Seminars, Symposium, Workshops
- ✓ Practical social experience
- ✓ Visit to Pioneer Institutions
- ✓ Interactions with eminent personalities
- ✓ Practical training on various aspects.
- ✓ Field visits etc

## Project 04-SAY YES

In modern times, education has a wide range of meaning and new career dimensions have been explored. Inborn talents of the child, plays crucial role in their studies and career. It has to be polished and channelised properly. The class room education might not be focusing on exploring and realizing the innate talent of a student. So definitely we need to give special care and guidance to make them contributors for the society and nation. SAYES is an effort to provide proper training to high school students in accordance of their inherent capabilities and individual uniqueness.

### GOAL

- ✓ Motivate students to acquire good academic results and consequently good career.
- ✓ To impart smart learning techniques and constructive approach towards academics.
- ✓ Develop logical thinking, decision making and problem solving skills and leadership abilities.
- ✓ To help them to attain emotional stability and positive attitude to cope up with diverse needs of life.
- ✓ To inculcate value based culture among students.

### MODUS

- ✓ Project is designed as a long term course of five levels.
- ✓ Any students studying in high school will be admitted to the project.
- ✓ Training programmes.
- ✓ Practical social experience.
- ✓ Interactions with eminent personalities.
- ✓ Field visits etc.

## Project 05- EXCEL INDIA

During the last five to ten years higher education scenario has been changed significantly. Central Govt. has started a number of higher learning and research centres in various parts of India to cater the need of the hour. The admissions to these centres are through entrance examinations. Most of the Keralites, especially students from backward communities are not getting advantage of these institutions because of many reasons. YES realised that if sufficient guidance and training is provided students will become competent enough to get admission in these institutions.

### GOAL

- ✓ Identify talented undergraduate students from the college and motivate them to appear for post graduate entrance examinations conducted for the admissions to National Institutes /Central Universities.
- ✓ Provide directions and guidance on how to prepare for these entrance examinations.

### MODUS

- ✓ Awareness programmes
- ✓ Screening test
- ✓ Familiarization of universities
- ✓ Peer Group Training
- ✓ Coaching for admission tests
- ✓ Residential camps
- ✓ Interaction with seniors
- ✓ Institutional visits

## Project 06-FORMULA 1

### BACKGROUND

**The Higher Education scenario:-** Lucrative IT sector emoluments attracted potential students to IT sector jobs, which made higher education teaching deserted to low qualified professionals. This resulted in low quality of education.

**Teacher as a Social Engineer :-** YES India realizes the role of teachers in the reconstruction of society. India requires ebullient teachers to make advantage of its vast human resources and promote India into a world super power.

**Recent Developments in Higher Education Teaching:-** Arising vacancies of college teachers in Kerala requires skilled and socially committed teachers. As per Knowledge Commission's recommendation governments have revised the pay scale of college teachers to attract skilled personnel to teaching field.

### GOAL

- ✓ Building an activist-teacher society, committed in guiding, mentoring and social servicing.
- ✓ Inculcating the culture of social engineering.

### MODUS

- ✓ Awareness building and motivation
- ✓ Coaching /Training
- ✓ Model Examinations
- ✓ Mentoring
- ✓ Professor's Meets
- ✓ Research Orientation
- ✓ Financial aid

## Project 07-CIVIL SERVICE FOCUS

### RATIONALE

Executive functionaries plays crucial role in the governance of the country. Being at the helm of executive machinery civil servants require high potential and talent for effective governance.

Socially committed service personnel is need of the hour to distribute fruits of development to the targeted beneficiaries. UPSC has introduced civil services aptitude test (CSAT) in civil services examinations. It necessitate us to take conscious attempt to foster the aptitude of the young from early ages to be loyal and sincere servants of society. Hence we step forth.

### MODUS

- ✓ Administer civil service aptitude test among students.
- ✓ Organise civil service awareness building and coaching programmes.
- ✓ Train students to build up civil services aptitude.
- ✓ Prepare students to expose themselves to current developments in the world.
- ✓ Facilitate interaction with civil servants and eminent personalities.
- ✓ Inculcate social values among students.
